

# Client Spotlight

Meet Mental Health Counseling Client,

**HANNAH**  
Wolfe

*T*he Women's Resource Center has changed my life. Dr. Jerry has walked me through one of the darkest times in my life.

I owe so much to this center. They helped me gain confidence and self-respect, but most of all they taught me how to love myself again. I am forever grateful.

Thank you for everything you have done for me and all of these other women.

## The Women's Resource Center Impact

Historically, we have found that women who seek our services are dealing with underlying self-esteem issues and patterns of unhealthy decisions. Because of this, we believe professional affordable mental health services is essential to helping our clients be financially independent.

**16%** increase of unduplicated Mental Health Counseling Clients from last year, in South Sarasota County alone.
