

# Tidewell Teams Support Community

During this time of fear and uncertainty, several Tidewell Hospice teams are using their unique skills to offer support to the community through the Community Hope Line.

Social workers, chaplains and grief counselors are joining forces to help meet the emotional-health needs of our communities through this 24/7 service.

The Community Hope Line number can be reached at:  
**(941) 556-HOPE (4673) | Toll-free at: (855) 930-HOPE (4673)**

or via email at: **[communityhope@tidewell.org](mailto:communityhope@tidewell.org)**.

The service is also available to Spanish-speaking callers.  
(La Línea de Esperanza para La Comunidad esta disponible en Español.)
