Palma Sola Presbyterian Church

How may I get financial assistance in an emergency?

Palma Sola Presbyterian Church administers two funds that enable it to extend the compassion of Jesus Christ to help you meet emergency financial needs.

The Funds

The **Dreyer Trust Fund** was established with a significant bequest from a church member, the late Elwood (Woody) Dreyer. The funds are invested with the New Covenant Trust Company, a subsidiary of Presbyterian Foundation, and earnings are used to meet needs verified by the Christian Care Alliance of Manatee County. The Dreyer Fund is specifically for one-time housing, utility, and medical expense needs.

The **Family Fund** is funded through contributions from church members and may be applied more broadly.

*"Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms."
1 Peter 4:10*

How to Make a Request

If you are a Palma Sola member, please contact the pastor to discuss your circumstances and the nature of your

need. The pastor, in consultation with other church leadership as needed, will determine appropriate next steps. Non-members who are residents of Manatee County should contact Christian Care Alliance directly to have their needs verified and to make application. All information is held in confidence.

Any payments are made directly to third parties, such as a landlord, utility company or supplier of medical services/prescriptions. Approved recipients do not receive cash.

Contact Us

To talk with the pastor, please call the church office. If the pastor is not available, leave a message with your phone number for pastoral follow up.
