

Remove barriers to progress to the Latinos in our community through the celebration of culture, education and unification.

A photograph of three young Latin women with long dark hair, smiling warmly at the camera. They are positioned in the upper half of the page, with their faces partially overlapping the text below. The background behind them is a mix of teal and purple abstract shapes.

Latinas of WRC

- Are you new to this city or this country?
- Do you struggle with English as a second language?
 - Do you lack family or close friends nearby?
 - Do you need someone to share feelings with?
 - Do you want to feel better about yourself?

Founded in 2005, Latinas of WRC is a multicultural Latinx Empowerment group. Each Monday, they host a forum for Latina women to discover skills, build self-confidence and find their own paths to success.
