Business & IT and Hospitality Program

The Women's Resource Center and Suncoast Technical College (STC) have joined forces to host a virtual information session on their career and technical education programs. During the session, attendees will be informed about the Business & IT and Hospitality programs that STC offers as part of their career and technical education programs.

These include Digital Design, Accounting Operations, Business Management and Analysis, Computer Systems and Information Technology, Professional Culinary Arts & Hospitality, and more.

These programs equip individuals with the necessary skills and knowledge required to excel in this expanding industry. Furthermore, participants will gain insight into the various career paths available upon completion of the career and technical education programs.
