Unlocking the Power of Artificial Intelligence in Your Career Journey!

Artificial Intelligence & You

Are you curious about how Artificial Intelligence (AI) can revolutionize your career and everyday tasks?

Mark your calendars for our upcoming webinar hosted by the State College of Florida's Advanced Technology Center! Learn how AI can enhance your existing job and everyday tasks. Discover strategies and real-world examples as we dive into the world of AI and its practical applications in your professional life. We'll cover key points on streamlining tasks, optimizing resumes, and crafting compelling cover letters.

Don't miss this chance to gain valuable insights and stay ahead in the ever-evolving world of technology and employment!

Career Connections | Artificial Intelligence & You

Online Information Session

Wednesday, April 24th from 12:00 pm to 1:00 pm

You can tune in by phone or computer to learn more.

To register, go to www.mywrc.org/AI or scan QR Code - after registering, you will receive a confirmation email containing information about joining the online session.
